ENTER STATEMENT BELOW

I am giving this statement in addition to the one that I gave Detective Hutchinson on 6/3/20XX-1

In February of this year at around 2 in the morning I was arrested by Georgetown Police just outside the Georgetown mall. The officers cited me for being a minor in possession.

I told the police that I had been in the mall and met a man named Drake. I told them that he drove me down to the river where we sat in the car. I told the Detective that Drake sexually assaulted me. I was taken to Lakeview Medical for an examination and gave a statement to a Detective.

My statements about Drake were not true. I told them this because I had been with Byron Howland that night and didn't want them to know about that. That night I'd had an argument with Byron because I didn't think he was seeing me enough. I walked out of Byron's apartment and to the mall where I was arrested. Also, I didn't want my mother to know about Byron and figured she wouldn't be so angry at me and ease off me if I'd been abused.

I declare, under penalty of perjury under the laws of the State of Major, that the statement above is true and correct to the best of my knowledge.
