ENTER STATEMENT BELOW

I attend Roosevelt Middle School.

Yesterday, February 8, 20XX-1 (last year) at about 8:30 p.m. I was at the Georgetown mall with my friend Sherry Vinton. Sherry left to go home and I stayed. I met a man there who said his name is Drake. I had never seen him before. He looks like he is in his 20s, is around 5 foot 11 inches tall, weighing around 175 pounds. He wore a blue fleece coat, jeans, Nike running shoes and a purple University of Major of Major sweat shirt.

We talked and then rode in his car down to the Sandpoint river where we sat in his car. His car is an older dark blue Volvo sedan with 4 doors. sat in the car, drank beer and talked until around 1 in the morning.

All of a sudden he attacked me, putting his hand over her nose and mouth until I could not breathe. He forced me to perform oral sex on him. He threatened that if I told anyone, he knew where I lived and he would come after me. Drake drove me back to the mall and dropped her off.

I declare, under penalty of perjury under the laws of the State of Major, that the statement above is true and correct to the best of my knowledge.
