ENTER STATEMENT BELOW

I am 48 and a lawyer in Cle Elum. I grew up with Byron Ward Howland in Cle Elum. After high school, we both attended Major State College where we were both members of the Phi Delta Delta fraternity. After finishing their undergraduate education, I went on to law school. Byron became a police officer with the Cle Elum Police Department. After five years with the department, Byron also decided to go to law school, and he attended the University of Major Law School just as I had. After passing the bar, I recruited Byron to join my law firm.

When Byron decided to run for the legislature as a representative of Adams County, I became his campaign manager. Byron has served two four-year terms in the legislature, and he is up for election this year.

I was with Byron Howland in the evening of March 16, 20XX-1. We were planning his campaign breakfast. Marco Busono was also present. The meeting took place at my home in Cle Elum.

I declare, under penalty of perjury under the laws of the State of Major, that the statement above is true and correct to the best of my knowledge.
